Here are your new
 prescription ID cards.

Welcome to Express Scripts!

We're the manager of your prescription benefit for <Client Name>. We'll help you quickly get the prescription care you need.

Beginning <Effective Date>, you can start using the information on these new ID cards when you fill a prescription.

Have a question about a prescription? Call us! Our pharmacists are available 24/7 to help you out. No matter how you order prescriptions — by home delivery or at a pharmacy in your benefit's network — we'll work with you and your doctors to help safeguard your health.

Please see other side for more information about home delivery with free standard shipping. >>

See your copayments and other important information online:

Note: If your doctor prescribes a medication that is not on your plan's preferred list, yet an alternative plan-preferred drug exists, we may contact your doctor to ask whether that medication would be appropriate for you. You'll usually pay less for a plan-preferred drug.

Take a medication every day? Your benefit gives you a choice.

For maintenance medications, such as those used to treat high blood pressure or high cholesterol, choose the option that best suits your needs.

Home delivery pharmacy services from Express Scripts¹

-  **Up to a 90-day supply, delivered to your home,** with free standard shipping.
-  **29% average savings** compared to a standard retail pharmacy copayment.²
-  **Easy refills** always available by phone, computer or the Express Scripts mobile app.

OR

A retail pharmacy in your plan's network

-  Up to a 30-day supply that you pick up.
-  You'll pay the entire cost for a maintenance medication at a retail pharmacy after the purchase.
-  Refills at the pharmacy or over the phone.

For complete details about your prescription benefit or to transfer a retail prescription to home delivery, visit Express-Scripts.com/Activate or call us at the number on your new ID card.

¹ Includes services provided by the Medco Pharmacy[®] and the Express Scripts PharmacySM.
² Average percentage savings figure based on analysis of actual January–March 2012 claims for clients with a retail pharmacy and mail pharmacy benefit, excluding Medicare clients and clients participating in mandatory mail programs. Savings may vary based on your plan design.
