Having Delta Dental coverage makes it easy for you to get dental care almost everywhere in the world! You can now receive expert dental care when you are outside of the United States through our Passport Dental program. This program gives you access to a worldwide network of dentists and dental clinics. English-speaking operators are available around the clock to answer questions and help you schedule care. For more information, check our Web site or contact your benefits representative to get a copy of our Passport Dental information sheet.

**Maximum Payment** – \$1,000 per person total per Benefit Year on all services except orthodontic services. \$1,000 per person total per lifetime on orthodontic services.

**Deductible** – \$100 Deductible per person total per lifetime. The Deductible does not apply to orthodontic services.

**Waiting Period** – Employees who are eligible for dental benefits are covered on the date defined by your employer.

There is a 12-month waiting period for certain services. Endodontic Services, Periodontic Services, Other Oral Surgery, Major Restorative Services, Relines and Repairs, Prosthodontic Services, and Orthodontic Services will not be covered until after a person is enrolled in the dental plan for 12 consecutive months.

**Eligible People** – All eligible employees working 20 hours or more per week, Retirees and COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985) enrollees, if applicable. The Subscriber pays the full cost of this plan.

Also eligible are your legal spouse and your children to the end of the month in which they turn 26, including your children who are married, who no longer live with you, who are not your dependents for Federal income tax purposes, and/or who are not permanently disabled and your domestic partner as defined by the contractor. Employees and their dependents choosing either dental plan are required to remain enrolled for a period of 12 months. Should an employee or dependent choose to drop dental coverage after that time, he or she may not re-enroll prior to the date on which 12 months have elapsed. Dependents may enroll if the employee is enrolled (excluding COBRA) and must be enrolled in the same plan as the employee. An election may be revoked or changed at any time if such change is the result of a qualifying event as defined under Internal Revenue Code Section 125.

If you and your spouse are both eligible for coverage under this Contract, you may be enrolled together on one application or separately on individual applications, but not both. Your dependent children may only be enrolled on one application. Delta Dental will not coordinate benefits if you and your spouse are both covered under this Contract.

Benefits will cease on the date defined by your employer.
