BlueConnect™

GET TO KNOW BLUE CONNECT you make it personal

The personal way to manage your health care.

Blue Connect is far more than a member services website; it's a personal gateway to the information you need about your health plan. It's also a dashboard you control to display what you want to know about your own health. With Blue Connect, you can:

- + See your deductible, claims and benefits in an instant so you know exactly where you stand.
- + Finish tasks quickly; pay your bill, find HRA and HSA details and other financial tools you need.
- + Get health tips, articles and videos on everything from weight loss to prescription costs to dental health.

And now, with the Blue Connect MobileSM for iPhone[®] and Android[™], you can see your health information any time you need it, 24/7. Go to bcbsnc.com/mobile for details or search for Blue Connect on iTunes or Google Play.

You're in the driver's seat – the Blue Connect dashboard helps you take control.

Learn more about your own health – from preventive care to getting and staying fit to managing illness – faster and easier than ever before. The bottom half of your Blue Connect homepage has colorful, clickable “tiles” that open the pages where you'll find the health tools and information you want. Try:

- + **Things You Should Know** – personal, timely and relevant health plan information delivered to you.
- + **My Interests** – you select the tools and resources you use most, then add any fun or interesting topics you like.

You'll find a range of subjects on health & wellness, managing health care costs, using social media and more. You control the My Interests tiles displayed by adding, deleting and arranging them just the way you like.

The Blue Connect dashboard means less searching and frustration for you.
